## COMMUNICATION PREFERENCES

At the Centre for Plastic Surgery and Centre for Pure Skin, we work hard to meet you where you are. By completing a form on our website(s), you are willfully sharing sensitive information with our employees and support staff such as name, phone number, email address, questions, and/or interests that you may have. This information will be used to contact you only regarding the information that you have requested and/or your treatment in our practice. You may be asked to indicate your communication preferences such as text message, email, and/or phone call and we will do our best to adhere to your preference.

Please note that selecting your communication preference does not mean that it is the **ONLY** way that you will be contacted. There may be circumstances that require us to utilize other information that you have willfully provided to best serve your needs.

You may also elect to receive intermittent marketing communications by selecting **JOIN OUR NEWSLETTER** on a form. If you indicate yes and are enrolled to receive this type of information, you may choose to unsubscribe at any time.
